Return to Dealership Locations

Date: February 24, 2019 (Sunday Evening)

Time: Move from offsite location begins at approximately 6:00 PM

Arrive at McCurley Honda 1775 Fowler St Richland

No later than 5:15 PM to begin sign in and receive info.

DRIVERS MUST BE ON TIME SO WE CAN START ON TIME...PLEASE STRESS THIS TO YOUR GROUP.

Please park on the North side of Fowler (across from the front of the Honda store) and please car pool if possible, as this will help with the parking congestion. DO NOT park on the Honda property.

Please bring your valid driver's license. You will need your license while operating McCurley vehicles. Drivers must be at least 25 years of age and insured with no exceptions due to the dealership's insurance requirements. Please bring light snacks & beverages with you to enjoy in the transport vehicle only. PLEASE do not bring loose items with you while you drive vehicles (i.e. Cell Phones, Keys, Small Purses, etc.) If you misplace something, it is nearly impossible to find the missing item. PLEASE leave personal items in your personal vehicle or the transport bus.

Group Donation Earned:

Each group has the opportunity to earn a drive donation payment of \$1,200 per event by filling all the seats on the move to and from the park. The requirement is 12-drivers during each move, not 10 on the drive to the park and 14 for the drive back. We MUST have 12-drivers on each drive, no more than 12 is required for these moves since we will then have an "over-capacity" issue if every group brings extra drivers on these event moves. If a group is short on both drives, the donation will be paid out at \$700 for the group. If a group has 12 drivers on just one of the two moves, then the donation will be \$900 for the moves. 12-drivers on both moves will get the group a \$1,200 donation check! If driver's show up late (after the drive has started) or leave early (before the drive concludes) the above donation schedule will also apply to the group's donation check earned. We hope to write a bunch of \$1,200 checks in 2019!
