Future DFA member!

Monthly meetings provide a forum for fiber artists to share ideas and solutions they have discovered in their art form. Speakers share new concepts and techniques. Meetings offer a friendly setting for encouragement and mentoring of fellow fiber artists. Non-members are always welcome.

Hand spun, hand knit,
definitely hand-it-down in the family!

DFA sponsors workshops where members are eager to educate the public about fiber arts through exhibits, demonstrations, and classes. All experience levels are welcome!
